

The Max-Planck-Institute for Mathematics

This is the home page of the new Web server at the Max-Planck-Institute for Mathematics in Bonn, Germany. It gives you a variety of information services, namely about

- the computer network
- the library
- internal "going ons"
- several restaurants in the area
- the city of Bonn
- permanent staff

Upcoming event(s):

- Gauge Theory & 4-Manifolds (March 1 - May 31, 1995)
- Workshop on Elliptic Cohomology June 11 - 13, 1995)
- Arbeitstagung June 14 - 20, 1995)

The weekly program:

The weekly program

And it gives you a colorful picture of the institute's front door:
